We will need to update the Gamification Banner Provided by the team, in the above inventory and update the Linking URL.

Linking URL is provided by Bhakti/Radheshyam/Anuj Kumar.

Example:
Desktop: https://www.nykaa.com/spin-the-wheel
App: https://www.nykaa.com/spin-the-wheel-app?device_family=app

For Desktop Select **URL Redirection**
For App Select **Landing Page**

Update the Analytics Title: as per the current game zone
